CTA Offers Conferences: CTA and MTA Offer Grants and Scholarships

The California Teachers Association (CTA) offers Statewide Conferences each year. Our local Association offers up to six scholarships for up to \$500 each to attend one of the CTA Conferences.

Information regarding each conference is on montbelloteachers.org. If you are a member of the Montebello Teachers Association and wish to apply for a scholarship email your intent to MTA@montbelloteachers.org. Include your name, site, and contact telephone number no later than Monday, October 31.

The CTA Board of Directors will award Minority Incentive Grants for each conference in order to encourage new minority leadership and participation within the Association. CTA members are encouraged to apply for these grants. More information is available at CTA.org/conferences.

Common Core Café, Session 1:

Leveraging Technology for Collaborative Learning and Teaching

To: All Staff

You are invited to attend a professional learning session to learn how to use a cloud-based program to centralize class information and the ability to collaborate with students and other teachers. Teachers can share assignments with students, create spaces for group collaboration, and provide student feedback - all in one place. Learn classroom technology resources and activities that you can implement tomorrow!

ISTE Standards for Students we will be addressing:

1. Facilitate and inspire student learning and creativity: Teachers use their knowledge of subject matter, teaching and learning, and technology to facilitate experiences that advance student learning, creativity, and innovation in

c. Promote student reflection using collaborative tools to reveal and clarify students' conceptual understanding and thinking, planning, and creative processes

d. Model collaborative knowledge construction by engaging in learning with students, colleagues, and others in face-to-face and virtual environments

3. Model digital age work and learning Teachers exhibit knowledge, skills, and work processes representative of an innovative professional in a global and digital society.

b. Collaborate with students, peers, parents, and community members using digital tools and resources to support student success and innovation

Please join us on:
