**THE NEA
FOUNDATION®**

The NEA Foundation is a public charity founded by educators for educators to improve public education for all students. The Foundation offers many fellowships and grants. To learn more go to NEAFoundation.org. Applications to many of the programs are due in February.

The NEA Foundation Global Learning Fellowship

This Program is designed to increase access to global training and experiences by providing global education professional development opportunities for K-12 public school educators. The NEA Foundation Global Learning Fellowship is a great way to bring new perspectives to public school classrooms.

Learning and Leadership Grants

Educators frequently need outside resources to engage in meaningful professional development due to limited district funding. Through the Learning & Leadership grants, NEA supports the professional development of members by providing grants to:

- **Individuals** to participate in high-quality professional development like summer institutes, conferences, seminars, travel abroad programs, or action research
- **Groups** to fund collegial study, including study groups, action research, lesson plan development, or mentoring experiences for faculty or staff.

The NEA Foundation gives preference to proposals that incorporate STEM and/or global competence in their projects.

Student Achievement Grants

Educators frequently need outside funding for classroom resources. With the NEA Foundation Student Achievement grants, members are helping students learn how to think critically and solve problems. The NEA Foundation has successfully provided funding to thousands of educators to enable them to take the lead on a wide range of projects to improve student learning.
