

Members Waiting for Summer Pay

Members had reported that pay for summer work had not been received. MTA sent out a survey Friday to get a feel for the issue. The results were astonishing.

- 80 Members reported issues in a four-day period.
- 246 Day/incidents were reported.
- The majority of outstanding pay is for June 2019.

MTA is working with the Payroll Department to follow-up on each reported occurrence.

This is only a sampling of the summer pay issue. The Association seeks to clear up all unpaid work issues whether or not they were reported by members.

If you have a payroll issue, please send your
