I Was Injured Do I Claim Worker’s Comp?

Workers’ Compensation is the no fault insurance program for occupational injuries. The program is heavily regulated by the State of California. If you are injured at work, notify your principal/supervisor as soon as possible.

After that, contact “Company Nurse.”

The District contracts with “Company Nurse” for the reporting and access to immediate appropriate medical treatment. Information on “Company Nurse” is listed at www.Montebello.k12.ca.us. Go to “Departments” and then to “Risk Management” and on to “Workers’ Compensation.” The phone number for “Company Nurse” is 877.518.6703.

You may also contact an attorney. The Association refers to GEKLAW. Clients do not pay any fees until recovery is made. Information is available at 213.386.1671 or www.geklaw.com.

You may predesignate a personal physician. In the event that you sustain an injury or illness related to your employment, you may be treated by your personal medical doctor under the conditions listed on the form. The form is available on MontebelloTeachers.org. The District requires that the pre-designation be current.

It’s Illegal to Record a Teacher in Class

The Legislature finds that the use by any person, including a pupil, of any electronic listening or recording device in any classroom of the elementary and secondary schools without the prior consent of the teacher and the principal of the school given to promote an educational purpose disrupts and impairs the teaching process and discipline in the elementary and secondary schools, and such use is prohibited. Any person, other than a pupil, who willfully violates this section shall be guilty of a misdemeanor. Any pupil violating this section shall be subject to appropriate disciplinary action.
