Ed Chau Takes Oath of Office in State Assembly Benjamin Cardenas Is Appointed to Board of Education

Ed Chau resigned as a member of the Board of Education prior to being sworn in as the Assembly Member for the 49th District Monday, December 3. He had served on the Board for twelve years.

Hector Chacon, Gerri Guzman, Paul Montoya, and David Vela appointed Benjamin Cardenas Saturday, December 15. He was sworn into office on the same day by Congresswoman Grace Napolitano. Cardenas works as a Deputy District Director for the Congresswoman.

The term for Board seat for which Cardenas was appointed ends November 2013. Board Member Paul Montoya was appointed in February 2012 and his term will end November 2013. The seats currently held by Gerri Guzman and Hector Chacon also come to term this coming November. Thus, at this time two of the five members were appointed rather than elected to the Board of Education. And, four of the seats will be on the ballot November 5.

Connecticut Families & Colleagues Look to All of Us for Support

Because so many want to do something, a website was set up where messages of support can be left. Leave a message via montebelloteachers.org. The CEA blog and CEA Facebook page is also available via montebelloteachers.org.
