Are You Thinking You May Transfer To a Different School Site?

Voluntary Transfers - The deadline for voluntary transfers is **Tuesday, April 15**. Those wishing to volunteer to transfer from one site to another must submit an application to the Human Resources Department. The revised form allows Bargaining Unit members to include preferences other than three priority schools. For example one can write, "any elementary school", "any site south of 5 Fwy", or other pertinent preferences.

Assignments—Whenever possible, reassignments from one position to another at the same site are announced no later than **Friday, May 15**.

Involuntary Transfers - The District retains the responsibility to determine program needs and to establish the necessary staffing to implement the educational program. Primary consideration for voluntary transfers includes: credentialing requirements, experience in teaching specific subject areas, and teacher in-District seniority. **Those Bargaining Unit members that are involuntarily transferred because the current position is eliminated by the District have priority status over those who seek voluntary transfers.**
