When Am I Required To Be On Campus?

The Board Day for each site is 7 hours and 15 minutes. Within the confines of the Board Day, the remaining minutes beyond instructional minutes, are interpreted as preparation time. The time within the Board Day and outside of instructional minutes is called the *Professional Day*. (Article IV. Section F.1.)

K-12 teachers are required to be on the school site 7 minutes prior to the start of their first class. All other preparation time need not occur at the school site providing the site administrator (or designee) has not scheduled a meeting. **This includes short days at sites where site specific waivers have been authorized for banking minutes.**

Also of note

Teachers may be required to be in meetings no more than 2 hours within the Board Day and 3 hours outside the Board Day per school month. Meetings outside the Board Day require one week written notice from the administrator.

Friday afternoons or afternoons of the day prior to a holiday, recess, or the day of a required evening meeting are to be kept free from professional meetings in the district. (Article IV. Section G.1.)

A minimum of 30 minutes duty-free lunch shall be provided each day including rainy days .
