Are You a Member of the Catastrophic Leave Bank?

The Catastrophic Leave Bank (CLB) was negotiated in order to donate sick days to colleagues with catastrophic illnesses. Only those who do to the CLB may benefit from the bank.

- You may donate a maximum of 3 days per year providing the donors own sick days do not fall below 10 days at the time of the donation.
- You may now automatically donate 1 day per year by checking the appropriate box on the form. *If you checked the box last year, you need not submit another form.*
- You are eligible to participate in the CLB during any year in which you donated at least 1 day.
- All decisions regarding the authorization of CLB days to a catastrophically ill member are made by the Catastrophic Leave Bank Committee.
- The deadline to donate days is **November 15**.

Ask your site secretary for a "Request to Donate Sick Leave" form or use the one on the back of this *Contact*.
