Principal May Approve Additional IEP Meeting Hours

Bargaining Unit members must attend IEPs during contractual meeting times as directed by the site principal.

- The contract allows 2 hours of meetings within the board day and 3 hours outside the board day each staff development month. (Calendars are available at www.montebelloteachers.org on the "calendar" page.)

- Principals may authorize IEPs after the Board day beyond the 3 hours outside the board day.
- Bargaining Unit members may elect to participate in an IEP beyond the Board day with payment at the IEP rate.
- Bargaining Unit members are not mandated to attend IEPs beyond the Board day once the 3 hours are exhausted. If Bargaining Unit members volunteer, the IEP rate is required.
- Only an administrator can authorize the additional IEP hours.
- The District requires the completion of the "white card" for payment. Time should be noted in 15 minute intervals.
- The current rate is \$35.60.
