## Here are the CalPERS Transition Dates and Locations!

In an effort to get as much information to as many people as possible, the District and CalPERS are offering several informational and open enrollment opportunities. The dates, times, and locations have changed significantly from the last *Contact*. The Association offers sincere apologies for any confusion and inconvenience the change in dates and locations has caused.

The information conveyed by CalPERS and the carriers (Kaiser, Blue Shield, & Anthem Blue Cross) will be available at the open enrollment meetings. CalPERS and the carriers have personnel available at the Schurr High School open enrollment meetings. Trained personnel from the district will be available at the Bell Gardens High School open enrollment meetings.

*If there is a need for more meetings with the carriers or district personnel, arrangements will be made.* In addition, employees and their families may prefer to contact the Kaiser, Blue Shield, & Anthem Blue Cross directly for information regarding the CalPERS plan options. The carriers are available via telephone or websites. Contact information is published on the back of this *Contact*. Comparative information among the five plans is available at [montbelloteachers.org](http://montbelloteachers.org). "Out of Paycheck" costs are also available on the Association website.

Each employee and retiree must enroll in a CalPERS health plan in order to continue to be insured. This is an "active" enrollment process. The paperwork must be completed and returned to the district in order to assure insurance.
