### All Reduction in Force Lay-Off Notices Are Rescinded

Interim Superintendent Anthony Martinez used the authority granted by the Board of Education to rescind the remaining 100 Reduction in Force (RIF) notices Friday, April 14. The hearings set for April 24-26 were cancelled. Permanent Bargaining Unit members are no longer at risk of being laid off for the 2017-2018 school year.

### The Association Continues Legal Battle for Prob. Rights

The Association filed a Petition for Writ of Mandate on April 10, 2017 in Los Angeles Superior Court, and served the District with the Petition on April 11. In this action, the Association is asserting that the District failed to comply with the Education Code when it non-reelected probationary teachers for what amounts to financial reasons. In doing so, the District deprived these probationary teachers of their ability to participate in the layoff hearing, and be potentially rehired over a period of 24 months.

The Association has formally requested that the District produce the contracts for all temporary and probationary employees, and we expect to receive those contracts within 30 days. The Court has also set this matter for a status conference on July 20, 2017.

At the status conference on July 20, it is likely that the Court will set a hearing date for this case.
