SCHOOLS & COMMUNITIES FIRST

Schools & Communities First Will Reclaim Over \$19 Million Every Year for the Montebello Unified School District

Most of us want similar things: good schools for our children, a healthy family, and safe neighborhoods. But for nearly four decades big corporations have not been paying their fair share, leaving California with the most overcrowded classrooms in the U.S. and with some of the worst ratios of counselors, librarians, and nurses per student. Schools and Communities First ensures that our schools and communities come first with resources to educate all of our kids and the services to support all of our families. It closes commercial property loopholes benefitting a fraction of corporations and wealthy investors, without affecting homeowners or renters, and reclaims \$12 billion every year to fund world-class schools and strengthen local economies to lift up all Californians. It's time to invest in California's future.

What Does Schools and Communities First Do?

- ◆ Reclaims over \$12 billion per year for K-12 schools, community colleges and local communities.
- ◆ Closes commercial property tax loopholes and ends shady schemes that big corporations and wealthy investors use to avoid paying their fair share of property taxes.
- ◆ Protects all homeowners and renters by maintaining tax protections for ALL residential property.
- ◆ Invests in educating all our kids and in the vital services necessary to support our families and communities.
- ◆ Provides the single largest tax incentive in a generation to spur new investments in small businesses.
- ◆ Levels the playing field for all the businesses that already pay their fair share.
- ◆ Ensures strict accountability so that money goes directly to our students and communities.
