Members Vote on Continuing Contract through June 2021

[The District and the Association agreed to defer negotiations](#) through the terminus of the current contract. The agreement allowed for limited reopeners this spring including Article XII. Wages and Article VIII. Class Size.

The decision was made in contemplation of the uncertain economic times for education. Governor Gavin Newsom recommended an approximate 10 percent cut in funding for 2020-2021. The continuation of the contract retains current salaries and eliminates the possibility of cuts and takebacks for our members.

An [agreement on the Article VI. Adult Education](#) is included in the ratification. The California Teachers' Retirement System (CALSTRS) required the District to include a definition for full time creditable service. The agreement is the statutory minimum number of hours per year (1050) for an Adult Education year.

Ratification ballots were sent electronically and are due Tuesday, June 2 by 2 p.m. Results will be posted on MontebelloTeachers.org and sent via email.
