District Will Survey Employees on Back to School Options

The District will send all employees a survey today with the following options:

1. Classroom instruction
2. Independent studies
3. Blended learning
4. On-line learning
5. Undecided

The purpose of the survey is to determine employee preferences for the 2020-2021 school year. The District and Associations will use the results to guide initial discussions on the beginning of school year including various instructional scheduling models. The survey will be due **Friday, June 19**.

A similar survey will be sent to parents/guardians.

Association Will Send Back to School Survey

The Association will send a comprehensive survey on the recommendation from in the California Department of Public Health COVID-19 *Industry Guidance: Schools and School Based Programs*. Please complete and return the survey. Future negotiations will rely on the data compiled in the surveys.

You are invited!

We Are Hosting Back to School Forums

What will the 2020-2021 school year look like? What do you need to be safe and be effective in your professional life? The Association will host a series of ten virtual Forums June 29 and June 30. The District will be invited to share potential scenarios instructional scheduling models. Dates and times will be confirmed next week with WebEx login information. The Forum topics will include:

- Head Start
- Preschool Special Education
- Elementary
- Elementary Special Education
- Intermediate
- Intermediate Special Education
