2021 Insurance Open Enrollment Is Virtual

The employee cost for health plans is reduced or remains the same next year. Open enrollment is the time members can switch from one CalPERS plan to another as well as add eligible dependents. The District will offer a Virtual health fair later this month. Information about the fair and virtual workshops focusing on selecting a health plan will be distributed by the Benefits Office.

Employee contributions are collected once per pay warrant in January, February, March, April, May, June, July, October, November, and December. The 2021 employee contributions will begin on the January 4, 2021 pay warrant. Special rates apply for Bargaining Unit members who share 2-party or family coverage with either certificated or classified MUSD employees. Visit montebelloteachers.org for details.

If you want the same health insurance and have the same dependents, you need not do anything. Changes in health insurance options and dependents can be made through the Benefits Office in District Office **Monday, September 21 through Friday, October 16.** Questions about benefits? Contact the benefits staff: Teran_Vivian@Montebello.k12.ca.us and Simmons_Laura@Montebello.k12.ca.us.
