May 10: Day of the Teacher

California Educators: Planting seeds, inspiring students and future educators

The California Department of Education encourages all to recognize May 10, 2023 as California Day of the Teacher. At its regular meeting of May 3, 2023, the Board of Education will present a Resolution in recognition of Day of the Teacher. California Day of the Teacher arose out of legislation co-sponsored by the California Teachers Association and the Association of Mexican American Educators. Senator Joseph Montoya wrote the bill and it was adopted in 1982. California has patterned its celebration after the traditional El Dia del Maestro festivities observed in Mexico and other Latin American countries.
