## UPDATE

### **MUSD PROVIDED JUNE 23RD AS THE ANTICIPATED DATE FOR PICK UP OF RETROACTIVE CHECKS**

After failing to provide retroactive checks to employees by June 1st as initially promised, the District issued an update on Friday afternoon regarding the readiness of retroactive checks for both certificated employees and classified employees. *This is a positive update for both MTA and CSEA that is a direct result of the immediate actions taken by our members!*

Since June 1st, members engaged in the following escalation actions:

- ✓ Multiple members from schools **wore black in solidarity** on Friday
- ✓ Multiple members **demanded for immediate action** from the Board of Education and the Interim Superintendent by email and phone

Now, it is time to let the District know that there are no more excuses.

### **NEXT STEPS: HOLD MUSD ACCOUNTABLE**

- ✓ **VOICE** your demand that the District respect our members by providing timely payment in the future. Let the Board of Education know by attending the upcoming Board of Education meeting, scheduled for Wednesday, June 14th at 6:00 PM. Make sure to wear MTA blue and have your voice heard during public comment.
