## Bargaining Update 2024

The MTA Bargaining team made significant progress at their last bargaining meeting on March 5, 2024. The team, led by Paul Chavez (SHS), that includes Lucia Quintero (LMI), Victoria Landeros-Lopez (FRE), Mayra Pasquier (SUI), and Lisa Quemada (MHS) managed to sign a tentative agreement on Article IV. Hours and Assignments. Details of the TA will not be available until agreements have been reached on all open articles.

The Bargaining Team has also finalized a yet to be signed TA on Article XII. Wages. The TA is scheduled to be signed within the next 24 hours. The two teams are expected to meet again on Tuesday, April 9.

## What Happens Next?

There is one article the team has yet to negotiate, Article VIII. Class Size. MTA is asking all members to attend the Board of Education meeting on **Wednesday, March 6th at 6:30 PM** to demand respect for our educators.

- WEAR** MTA blue!
- VOICE** your support for lower class sizes which help educators provide more attention to each student. Let the Board know about the quality temporary contract (TCs) educators at your site that should be rehired to fully staff our schools.
- BRING** your colleagues with you so that the District is aware of how widely and deeply felt this issue is.
