We are United! **Lisa Ibañez** **for MUSD Board of Ed.**

We will be canvassing for Lisa Ibañez
on Saturday, August 31, at 9:00 a.m.
and every Saturday until the Election.

We start at the MTA Office.

United for Montebello Schools

MTA is building political power to strengthen our public schools. We need to ensure that MUSD has leaders that respect students, parents, and teachers.

That is why we are supporting and need to elect Lisa Ibañez to the Board of Education.

Join our campaign to bolster public schools in Montebello USD. We need to work together to elect Lisa Ibañez not only to preserve the strong public schools in our community, but also to strengthen them for years to come.

Thank you, Dorothy!

Dorothy Chu was a tireless advocate for MTA members and the students that they serve during her many years as a teacher at MUSD. Dorothy is also well remembered as MTA President in 1997-2001. Her impact continues today, as many of the teachers that she mentored and inspired continue to serve our members with the dedication that they saw in her.

Dorothy passed away on August 20, but she is still present in our hearts and in our service to others.
